

# Want to become an AHA Instructor?

## 5 EASY STEPS

1. Complete the Provider course in the discipline you are interested in becoming an instructor.  
(ACLS, BLS-HCP, PALS, HEARTSAVER)
2. Contact an AHA Training Center
3. Complete the Core Instructor Course  
(Classroom, On-Line, or CD Rom)
4. Complete the discipline-specific Instructor course  
(Which takes approximately one day)
5. Be monitored teaching in your first provider course and turn in all monitoring forms to your TC Coordinator

***Join the Team that makes a difference Every Single Day!***

Our foundation is built on healthcare professionals like yourself who share our common mission of saving lives and want to empower other individuals with the knowledge and training to save another person's life.

**Committed to saving lives through research, training and education.**
